Dear Parents
Planning for 2013
On the 14 of January 2013, the Mt Maria College, Enoggera, site will become the responsibility of Our Lady of the Assumption School and Brisbane Catholic Education.

The Activity Centre and the building referred to as “A” Block will be available for the exclusive use of Our Lady of the Assumption School.

The Marist Brothers will maintain a monastery on the site and the land and buildings to the north of the monastery will be fenced and will be maintained by the Archdiocesan Authorities.

So, in 2013 we will have lots of space and spare rooms. The year four classes (2) and an art room will be located in the acquired building on the lower level. The school is applying for a refurbishment grant to make the upstairs classrooms suitable as primary learning areas and to provide more suitable access to the rest of the school. Mrs Arcodia and Mr Mann are already planning for the big move.

New Staff for 2013.
Miss Mikaela Kelly will be on the OLA staff next year and will join Miss McKellar, Miss Marrinan, Mrs Houlahan and Mrs Anderson (welcome back Caryn) as Prep teachers.

Miss Amelia Pearce has been engaged as a specialist Physical Education teacher and as a classroom teacher in year 6 to work with Mrs Russo and with Mr Clarke and Mrs Robertson (year 7) for literacy and numeracy rotations.

Mrs Kelly Farquar will job share with Mrs Garuffi in year 1 next year. Mrs Murray will be on maternity leave. Miss Malone and Miss Harvey will also be teaching in year one.

Other class teacher changes
Miss Coxon will join Mrs Geraghty and Mrs Bock in the year 2 classrooms. Miss Maher and Mr Fitzsimon will teach year 3 with Mrs Ceccatto.

Miss Paterson and Miss Holden will continue in their current role as year 5 teachers.

The Prep to year 3 classes will be located in B block and the year 5 to 7 classes will be in their current building.

It will be great to have the new facilities, but there are quite a few adjustments to be made to make it usable for us for next year. Cabling specialists will arrange for telephones, security, bells and fibre for the computer network to be installed over the holidays (we cannot do any of this until Mt Maria vacate the site). Brisbane Cath Ed Building Services are organising a fence to provide us with a contained site. The architects are designing a new ring road for drop off and particularly pick up to be located on the northern side of the Activity centre.

Can you help?
We will be moving furniture in preparation for 2013 on Thursday afternoon the 6th December from 12midday. Any dads or mums who might be able to assist will be welcomed with open arms.

School Fees and charges for 2013
There has been an increase in fees and charges for 2013. The new schedule is listed below. The biggest contribution to fee increases is in the technology area as most of our school laptops are now out of warranty and we will need to provide approx. 150 new devices over the next 2 years. We can manage this by

P&F AGM 2012

The AGM for the OLA P&F was held on Monday night. We ran a number of successful events and were able to raise funds to provide air conditioning to more classrooms, significantly contributing to the replacement of the concrete for handball/basketball and the re-turfing of the oval.

I would like to take the opportunity to thank the following people for their tireless work across the year to help make the events successful:

Michelle Kennedy  Dennis Fachin
Margaret Sharman   Kerrie Lanfranchi
Stuart Baildon   Bettina Summerville

The new Committee was voted in for 2013 as follows:
   President:  Sean Doolan
   Vice President: Stuart Baildon
   Treasurer : Dennis Fachin
   Executive Committee:  Kylie Murray, Sue Smith & Katherine Rowe

We are still seeking two roles for the committee to cover the Secretary role for the P&F to manage:
Meeting Minutes and Actions & Communication/Correspondence

If you are able to help support the P&F and can take on the role, please let one of the committee know or contact us through the P&F email – OLAPandF@yahoo.com.au

Defence News

Hello Defence Parents and Children. Week 6 is here. The Friendship Club is a hub of activity in the library on a Monday and Wednesday. Today we made snowmen and the children did a wonderful job. Walking Club has been very hot so drink bottles are a must. If you are leaving the school this year and you haven’t made me aware of this, please do as we give all our Defence children a small going away gift and I would hate for your child to miss out. Until next week, take care and be safe. Janet Dyer DSTA
