Thank you to all the regular guests and a special thank you to the new parents that attended the P&F meeting held on Monday night, it was great to see new faces.

One interesting topic that came up was the annual festival. As you know we’ve had great success in the past, and as a result the P&F has been proud to supply and install the following items at OLA, just in the past few years alone:

HUGE fans in the Good Samaritan Activity Centre;
The massive colourful play equipment on the school oval;
9 air conditioned classrooms.

What are we going to do with the funds this year? This is your chance to have a say! Do you want more trees planted around the school, do you think we need more memorial gardens, a new sculpture, a flag pole, electronic equipment for the class rooms, more books for the library? Quiet corners with seats and gardens for children to relax in, netball courts, oversize, fun outdoor chairs to play on, an outdoor permanent stage for kids to dance and perform on? iPads? Perhaps you’ve seen something at another school that you thought was a great idea.

Now is your time to speak up. Please feel very welcome to come to our next meeting on Monday 30th March at 7.30PM, in the staff room. We are not just about fund raising, we discuss many matters regarding the school, but it can only happen if you contribute. You can also email us at: olapandf@gmail.com
