Annual Report of Progress against School Strategic Goals

ENOGERA - Our Lady of the Assumption School

Priority

Current Goals:
Provide ongoing formation opportunities in spirituality for mission, theology and religious education for staff

Achievements for 2011:
- All staff attended a professional learning day with Fr Richard Leonard
- All teaching staff were provided an opportunity to participate in a Religious Education Inservice of their choice during 2011
- The teaching staff were provided with professional development to accommodate the new order of the Mass.
- There was an audit of Re symbols in the classroom and the school environment
Priority
Community and Partnerships (Priority 5 of the BCE Strategic Renewal Framework 2007-2011)

Current Goals:
- Effective communication with all stakeholders.
- To engage the parent community in school renewal and policy development.

Achievements for 2011:
- All families invited to participate in the School Board survey of perceptions and needs. Seventy families accepted this invitation.
- Parent representatives contributed to the annual cycle of component review.
Priority
Management and Organisation (Priorities 7, 8 of the BCE Strategic Renewal Framework 2007-2011)

Current Goals:

Budget for continued upgrade of our facilities, programs and resources for students, staff and community.

Achievements for 2011:

Successful relocation of the school offices and library into the new building
New playground options explored and the children consulted.
Refurbishment of the Mt Maria Hall for the use of the OLA school community
New playground facilities provided.
**Priority**
Student and Staff Support (Priorities 3,4 of the BCE Strategic Renewal Framework 2007-2011)

### Current Goals:
Review and modify/clarify the student behaviour support plan at OLA

### Achievements for 2011:
- A committee maintained to manage the review of the student behaviour support plan
- Whole community surveyed to explore perceptions and expectations
- Developed a statement of vision, expectations and the profile of an ideal student
- Initial exploration of “Play is the Way” programme
Priority
Teaching and Learning (Priorities 2,6 of the BCE Strategic Renewal Framework 2007-2011)

Current Goals:

- Improve student learning in literacy and teacher expertise in the teaching of literacy
- Improve student learning in numeracy and teacher expertise in the teaching of numeracy
- To embed information, communication and learning technologies in learning and teaching processes
- To improve access and ongoing provision of hardware, training and support arrangements.
- Literacy and learning enhancement at OLA

Achievements for 2011:

- Spelling committee formed and a spelling project undertaken using Words their Way.
- All class teachers explored the National Curriculum documents with the Curriculum Support Teacher with an emphasis on assessment and inquiry learning.
- Two teachers trained in 'Reading to Learn'.
- Upper school teachers attended professional development on grammar in the classroom, with links to the Australian curriculum.
- Each teacher explored the new National Mathematics curriculum.
- Teacher laptop programme initiated.
- Additional classroom laptops and trolleys provided across the school.
- Upgrade of wireless network across the school.
- All teachers trained in E-Minerva (student administration system).
- Teachers provided with professional development in ICLT (Atomic learning).
- Additional resources purchased to complement literacy and numeracy teaching and learning.
- Most teachers participated in curriculum adjustment planning meetings to cater for the various needs of the students.
- Exploration of suitable programmes for loading on the server for whole school access.
