Coeducational ✓ or Single Sex ☐

Year levels offered: Primary ✓ Secondary ☐ P-12 ☐

Total student enrolments for this school 439

Total Enrolment 439 Girls 237 Boys 202
Characteristics of the student body

Our Lady of the Assumption School is a medium sized inner north Brisbane school which has a fairly wide catchment covering diverse socio-economic circumstances. There are a significant number of defence families (46 enrolled children) in the school because of our proximity to the Enoggera Army Base. This impacts on our teaching and learning because many of these children have experienced a variety of school and education systems.

Promoting social skills and building resilience in our students is an important focus of our work at OLA. Our programme focuses upon behaviour expectations and the explicit teaching of what these expectations look, sound and feel like for the children.

Our distinctive curriculum offerings

Physical Ed and Music specialists.
Play is the Way taught in all classes
Words their Way spelling programme as required.
Go Maths approach to the teaching of mathematics.
Extensive music programme for all classes.

Instrumental music programme - strings, band instruments, piano, guitar and ukele
Drama classes
Dance classes
Art classes
Sports training
Structured play
Walking Club
Craft club

How Information and Communication Technologies are used to assist learning

We have a ratio of one computer for every 2 students. The school has wireless connectivity. Our students are provided with numerous learning opportunities from Prep to Year 6 wherein they utilize a range of software and peripherals within Information Technology. It is our practice to have equipment such as digital still and video cameras, scanners, video editing programs in the hands of the children.

Social climate inclusive of pastoral care and our response to bullying

OLA provides a caring environment in keeping with our tradition as a Good Samaritan school. This occurs through our Buddy Class relationships - Year 6 are buddies to Year 1 and Year 5 are buddies to our Prep students. In this way supportive relationships are forged between the younger students and older students. This can be particularly important in the playground if a younger child needs support, attention or recognition.
All reports of bullying are taken seriously and investigated.
Parent, student and teacher satisfaction with the school

The school engages in a process of cyclical review and in 2013 undertook an external review which reviewed and validated school review records for the past five year cycle. Parents, students and teachers are involved in the process of self review and in the external review consultation. There was a high degree of satisfaction with the school and its operations from all of the stakeholders. The 2014 parent survey indicated a high satisfaction rate for the school once again.

Parent involvement in their child’s education

Parents are encouraged to be involved via parent-teacher meetings, school website postings, written communications, parent forums, school newsletters, parent portal and as part of the ongoing parental volunteer in the classroom activities.
